ABOUT ME

Hi there, I'm André Amorim, a web developer with 12+ years of experience crafting PHP applications and custom portals with WordPress. Every project was built specifically according to the customer needs. I believe that communication is the key to success for any area, and I love to work in collaboration with others. In my free time, I enjoy traveling and exploring new places, meeting new people, learning about different cultures, and keeping up-to-date with new technologies.
